RESPONSE TO OFFICE ACTION

Dear Sir:

Assignee responds to the Office Action dated October 15, 2003. Assignee is canceling rejected claims and seeks issuance of the allowed claims. Assignee reproduces the allowed claims below because the Office Action says that the previous amendment was not in proper form because claim 29 was missing, and because cross-references to independent claims were accidentally dropped in the previously submitted, retyped versions of dependent claims 19 and 22. Contrary to previously submitted papers, there has been no claim 33 presented for examination.

CERTIFICATE OF FACSIMILE UNDER 37 CFR 1.8: I hereby certify that this correspondence is being facsimile transmitted on December 30, 2003 to fax number (703) 872-9306, before midnight Eastern Time, to Commissioner for Patents, P.O. Box 1450, Alexandria, Virginia 22313-1450.
